I understand that my program may deal with challenges and goals that should also be supervised by my personal physician, psychologist or another medical professional. I understand that The American Hypnosis Clinic recommendeds that I involve such a supervisor if my circumstances or state laws require it. I am accepting sole responsibility to communicate with such professionals independently, share relevent information with my therapist or go ahead with the program without involving other health care professionals as I see fit.

I understand the above statement and that all of the information I have provided is accurate to the best of my knowledge and is considered confidential information between patient and The American Hypnosis Clinic.
